**Docket No:** Schools and Libraries Program: CC Docket No. 02-6

**RE:** Deadline Waiver

**FCC Form 471 Application Number:** 161062524

**FRN #:** 1699145258

**Funding Year:** 2016

**Applicant Name:** CHATHAM COUNTY PUBLIC DISTRICT

**Entity number:** 127462

The Savannah-Chatham County Public School System is requesting a **Deadline Waiver** request/approval for **Funding Year 2016, FCC Form 471 Application# 161062524** that has been submitted past the USAC deadline line requirement.

This 471 form was submitted late because we were unaware that we had to submit and new form each year when a multi-year contract is involved. The original 471 form was submitted and approved during funding year 2015 (copies of USAC decision letter and 471 forms for 2015 is attached). We have not received a decision letter from USAC for funding year 2016 because we did not file before the deadline. We are also attaching the 471 form submitted late for funding year 2016.

It is very important that our district receives funding each year from USAC to support our students and schools technology needs.

Moving forward we will make sure a new 471 form is requested for each funding year and submitted before the deadline for any multi-year contract awards.

We thank you in advance for your decision to this appeal.

Our contact information for the district is listed below if you have any questions or concerns.
